# 'Is Edgaar the next Robin Schulz?'

- NOZ Newspaper (24th June 2020)

Edgaar is a DJ and producer from Osnabrück, who gained a lot of attention with his song "Let Go" (over 100,000 streams).

With his productions and co-productions Edgaar quickly stood out and pleased every listener with over 680,000 streams only on Spotify.

# REFERENCES

Many organizers quickly found out about Edgaar's intensive work and booked him for clubs such as **“Nize Club Osnabrück”**, **“52° Club”**, **“Residenz Club Paderborn”**, where he headlined an entire event, and many others.

# EDGAAR'S SOUND

Edgaar's music is known for his happy melodies, tight drums, leading basslines, as well as recognisable

vocals which are easy to sing along - a load of house mixed with key elements of Dance, Pop & Tech House

which have been supported by superstar producers such as Twoloud, DJ's from Mars and Bombs Away.
